CALL FOR PARTICIPATION

Second Summer School on the Chinese Economy

30 June - 2 July 2008

CERDI - Clermont-Ferrand - France

This Summer School is intended for PhD students. Participants will have the opportunity to discuss their own research project with leading researchers in their field. Doctoral students will present their work to the other summer school participants, with a senior economist acting as a discussant. Both doctoral students and senior researchers are expected to participate in every session.

We encourage PhD students to submit either a draft paper or a detailed abstract describing the work-in-progress they intend to present. Attendants will benefit from the overall discussion.

Working language: English. Participants have to attend the whole Summer School.

Dates: *30 June - 2 July 2008*. Arrival expected on 29 June.
